DREAM MACHINE®

SNOOZINATOR
extendable snooze

features

- **BUILT-IN COMPACT DISC PLAYER** provides digital quality sound in a table top sized unit that is a compact multi-mode entertainment center
- **VARIOUS CD PLAY MODES** lets you make personal choices as to the order in which tracks on the CD will be played and/or repeated
- **AM/FM STEREO TUNER** lets you choose from the wide variety of radio talk and music programming
- **BUILT-IN STEREO SPEAKERS** enhance the realistic listening effect with individual left-and right-channel speakers
- **SPACE CONSCIOUS DESIGN** is considerate of the often-limited space available on bedside nightstands and desktops
- **WAKE TO CD, RADIO, OR BUZZER** and start your day by waking to a favorite news or music station, or any track you select on a compact disc
- ▲ **SNOOZINATOR™ EXTENDABLE SNOOZE TIMER** gives you the freedom to easily choose your own snooze time instead of being held captive by the short time interval of most other snooze timers; each press of the Snoozinator™ bar adds an additional 10 minutes to your total snooze time; up to a full hour of uninterrupted sleep will be your choice after the alarm first sounds, all with just a few quick flicks of your fingertip
- **LARGE, CONVENIENT CONTROLS** are easy to reach and set, even from bed
- **TRIPLE ALARM** permits three separate wake-up alarm settings, an especially useful feature for working families and for those wishing to be alerted at different times
- **BACKLIT GREEN LCD DISPLAY** allows the display to be seen easily, even at night
- **RADIO SLEEP TIMER** shuts off radio automatically after a pre-set length of time of your selection (90, 60, 45, 30 or 15 minutes)
- **POWER BACK-UP SYSTEM** is built-in and needs no additional battery to maintain time and alarm settings in event of blackout or power failure
- **ANTENNAS** include built-in ferrite bar antenna for AM, convenient wire antenna for FM
